### Customer Support:

Thales is committed to providing you with the best possible support experience. With our worldwide follow-the-sun support centers, we're always here to help. Navigate online to our Thales Customer Support page to find "Contact Us" information, support plans offerings, policies, and more.

<https://supportportal.thalesgroup.com/csm>

**When contacting Customer Support, please be prepared to provide the following information:**

- Certificate and/or Support Reference number
- Software versions and serial numbers of your product
- The type of environment and operating system in which the product is installed
- Full details of your hardware, including your system configuration

### Terms & Conditions:

Thales's Support Services offerings are described and limited by the Thales Support Services Offerings document which is available here [https://supportportal.thalesgroup.com/csm/?id=support\\_essentials](https://supportportal.thalesgroup.com/csm/?id=support_essentials) under the Support Plans section. Sales of such services are subject to Thales's Standard Terms and Conditions document, which is available here: <https://cpl.thalesgroup.com/legal>

Any order of Support Service is an acceptance of such Services limited, defined and condition by both such documents and Thales hereby rejects any additions or modifications to such limitations, terms and conditions.
